

## ENTERPRISE ARMS (INTEGRATED MODULES & LICENSE OF USE INFORMATION) 4<sup>TH</sup> EDITION

**Enterprise ARMS** is an acronym that stands for Enterprise Academic Resource Management System. It is an ERP system for schools that is designed with a very highly rich set of integrated modules, automated processes and other services and features. **ARMS** is in fact the **Cheapest Enterprise System** tested and trusted by **Academic Institutions**.

ARMS offers 2 editions in 4 different licenses allowing the institution make the best from the variety of options as inspired by budget and academic and administrative operational requirements. The licenses are **Community** (FREE) and **Commercial** (LITE, FLEX AND PEAK) editions.
